# LOOK LIGHT ITALIAN DESIGN

## di Maria Grazia Paternoster

Produzione ed assemblaggio "Made in Italy" di lampade di design a led per arredo Indoor - Outdoor, versione fissa ed orientabile, con profilo strip led intercambiabile ed intensità luminosa regolabile, realizzate in acciaio a taglio laser e verniciate o artigianalmente con vernici ad effetto speciale per la LINEA LUX o con vernici a polvere per la LINEA ECO.

Le lampade, dall'aspetto quasi scultoreo ed inusuale, non sono solo fonte di luce, ma essendo sagome personalizzabili, prendono forma, assumono funzione, "vita", entrando a far parte di un quotidiano ed adeguandosi al gusto e all'estetica dell'ambiente che le circonda, creando al contempo un'atmosfera piacevole, magica ed emozionale.

Oltre alla produzione di lampade di serie, LOOK LIGHT realizza e progetta Soluzioni e Disegni Custom per allestimenti di vario genere a richiesta del cliente.

Inoltre vanta della collaborazione di uffici tecnici e verniciatori esperti nell'applicazione di finiture particolari su qualsiasi tipo di supporto metallico.

Ciò che contraddistingue la LOOK LIGHT e la rende unica, è la flessibilità progettuale e la cura del dettaglio, dal design all'accessorio, dal look alla luce.

## Company Profile

Production and assembly of "Made in Italy" led design lamp for Indoor-Outdoor furniture, both in fix and adjustable version with interchangeable led strip profile and adjustable light intensity, made of laser cut steel and hand-painted or with special effect paints for the LUX LINE or with powder coatings for the ECO LINE.

The lamps, with an almost sculptural and unusual aspect, are not only a source of light, but being customizable templates, take shape and "life", becoming part of a daily living and adapting to the taste and the aesthetics of the surrounding environment, while creating a pleasant atmosphere, almost magical and emotional (Indoor & Outdoor).

In addition to the production of serial lamps, LOOK LIGHT manufactures and designs Customized Projects and solutions of various types of equipment at customer's request and need.

Furthermore, the Company enjoys the collaboration of expert technicians and painters experienced in applying special finishes on any type of metal plate.

What distinguishes LOOK LIGHT and makes it unique is the design flexibility and attention to detail, from design to accessories, from the mere LOOK to the...LIGHT.

## Lampade da tavolo orientabili Adjustable Table Lamps

Lampade da tavolo orientabili per arredo interno, realizzate in acciaio al carbonio a taglio laser, verniciate o artigianalmente con vernici ad effetto speciale (Linea LUX) o con vernici a polvere (Linea ECO), cavo in tessuto colorato, fonte luminosa a led Bianco Naturale o Bianco Caldo. ### Classi di isolamento e grado di protezione IP

#### Insulation class and degree of IP protection

#### Classe I

Sicurezza elettrica garantita dall'isolamento principale da un conduttore di protezione (messa a terra) collegato alla struttura metallica della lampada.  
Messa a terra obbligatoria

#### Class I

Electrical safety guaranteed by the main insulation and an additional protective conductor (earthing) connected with the metal frame of the lamp. Earthing is obligatory

#### Classe III

Non sono presenti tensioni superiori alla Bassissima tensione di sicurezza SELV (Safety Extra-Low Voltage). In pratica tale apparecchio viene alimentato o da una batteria o da un trasformatore SELV.

#### Class III

There are no voltages exceeding the Safety Extra Low Voltage (SELV). In practice such a device is powered by a battery or a SELV transformer.

#### IP 20

Protetto contro l'ingresso di corpi solidi con  $\varnothing$  12,5 mm. Non protetto dall'ingresso di corpi liquidi.

Protected against solid objects greater than  $\varnothing$  12,5 mm.  
Not protected against liquid objects.

#### IP 65

Protetto totalmente contro l'ingresso di polvere. protetto contro getti d'acqua.

Totally protected against dust infiltration. protected against water jets

## Condizioni generali di vendita

### Imballo

In scatole di cartone, imballo singolo speciale anche per estero, incluso nel prezzo.

### Reclami e resi

In caso di colli palesemente danneggiati si raccomanda la firma con riserva del documento di accompagnamento.
